

## AN ACQUISITION.

W. W. Ashley Will Solicit Business in Future for The Sun.

The Sun desires to announce to the people of Gainesville and the surrounding country, that it has secured the services of W. W. Ashley, a newspaper worker for many years, and quite well and favorably known in Gainesville, who will devote his time to soliciting subscribers, advertising and job printing, and also receive any items of local news for the paper.

It is the aim of the publisher to make The Sun a paper in keeping with the progress of our city, and this can only be done by the hearty co-operation of our citizens.

W. W. ASHLEY.

The better the patronage the better the paper, and the statement that a city has a daily paper is always indicative of a busy town.

How good a paper shall be depends on the publisher and its patrons. If the paper does not come up to your idea of what it should be, don't "knock," but try to "boost" it. As in the past The Sun will in the future labor for the best interests of Gainesville, and when one stops to consider that the columns of a paper are the stock in trade of the publisher, the same as the goods on the merchant's shelves, then it can be easily figured how much a paper gratuitously advertises a city each year, which brings as much benefit to the property owner or merchant as to the paper.

If you do not take The Sun now, try it for a month, when called on by Mr. Ashley, and we assure you it will contain all the local as well as general news of the day.

We will also be glad to receive any news in the line of advertising and job printing, and give you value received.

## ODD FELLOWS' HOME.

Concerning the People at This Popular Resort.

Stavrus Culp of Gettysburg, Pa., who is on a tour of Florida, is a guest at the Home for a few weeks.

George B. Nikodem of Chicago arrived at the Home on Sunday, to remain for an indefinite period. He is an old time Odd Fellow.

Mr. and Mrs. D. G. Edwards, accompanied by Mrs. M. Dougherty of Lafayette, Ind., paid a visit to Windsor on Sunday, where a large number of Indiana people are spending the winter.

O. P. Morgan has made himself popular with the lady and gentlemen boarders by treating most of them to a carriage ride on Sunday. He hitched a span of his fine driving mules to a three-seated surry and they all had the pleasure of viewing some of the romantic scenery about Gainesville.

Some of the guests visited the city school on Monday morning and witnessed the opening exercises. They were pleased with the manner the pupils performed their parts and the courtesies extended by Prof. J. G. Kellum. Master Carhel Byars and Miss Florence Wilcox of the Home are attending the school.

## Five Americans Murdered.

## Imperfect Indigestion

Means less nutrition and in consequence less vitality. When the liver fails to secrete bile, the blood becomes loaded with billous properties, the digestion becomes impaired and the bowels constipated. Herbine will rectify this; it gives tone to the stomach, liver and kidneys, strengthens the appetite, clears and improves the complexion, infuses new life and vigor to the whole system. 30 cents a bottle. Sold by W. M. Johnson.

## A PROMINENT

Lawyer Praises Vinol.

Druggist W. M. Johnson states he is continually receiving such letters as the following in regard to his famous cod liver oil preparation, Vinol.

Mr. John Kinney of 812 West 29th St., Indianapolis, Ind., one of the most noted lawyers of the State of Indiana, writes: "The Grip left me in a nervous, weakened, run-down condition. I took Vinol with the very best of results. It made me feel like a different man, and I am now better and stronger than I have been for years."

Said Mr. Johnson: "There is nothing equals Vinol to restore strength after sickness, to build up the aged, run-down, weak or debilitated, to cure stomach troubles or chronic colds, coughs or bronchitis. What Vinol did for Mr. Kinney I can guarantee it will do for others or I will return the money paid me for it every time."

"Remember Vinol is not a patent medicine; everything in it is printed on the bottle. It contains in a concentrated form all of the curative, strength creating properties contained in cod liver oil, without a drop of the oil. No one will dispute the fact that cod liver oil is the greatest and simplest tonic known to medicine; the question is which is the best cod liver oil preparation—we claim and prove that Vinol is. It is delicious, and the weakened stomach can retain it. Try Vinol on our guarantee. W. M. Johnson." Druggist.

## DEATH OF MRS. RHODES.

Eldest Daughter of Judge Geo. J. Arnow Passed Away Sunday.

The Sun regrets to chronicle the death of Mrs. Julia G. Rhodes, which sad event occurred at her home on Sunday morning shortly after 11 o'clock.

Deceased was the eldest daughter of Judge Geo. J. Arnow of this city. She was born in Micanopy September 16, 1854, and was consequently at the time of her death in her fifty-first year.

Mrs. Rhodes was married first to Archie Mixson, in 1875. Two children were born to them, after which Mr. Mixson died, and in 1881 the widow married Chas. Rhodes, with whom she has since lived happily. She was a devout member of the Baptist church, and a noble, Christian character.

Deceased is survived by a husband, Chas. Rhodes, and six children—Mrs. S. A. Pardee, Mrs. Mamie Kennard, Charles, Archie, James and Pearl Rhodes. She is also survived by a father, two sisters, and four grandchildren. Judge Arnow, her father, Benj. T. Arnow, a brother, and Mrs. Rosa Waters, a sister, arrived at the home from Gainesville about an hour after the death.

The funeral was held from the residence Sunday afternoon, Elder Mixson of the Baptist church officiating. The interment was in the Flemington cemetery. Friends of the family extend sincere sympathy in their bereavement.

## Reflections of a Father

Upon the death of his first-born, Julia G. Rhodes, who died January 21, 1905:

One by one the leaves are falling,  
One by one our God is calling,  
Our loved ones meeting in the sky,  
We'll join them there bye and bye.

Julia, first-born, last to go,  
To join the eight who went before;  
Four are left to join the throng—  
When must they go? Oh! God how long?

Most I, their father, old and worn,  
Survive them all? By fresh grief torn,  
To walk the path of life alone—  
To weep in silence and to mourn?

Oh! cruel fate, to rend the tie  
That binds each loved one to my heart,  
When crushed by years, I'm forced to die,  
Must I alone, alone depart?

Will no child be left to guide my feet  
In struggling up the hill of life?  
And brace me up 'till I can meet  
My children dead and darling wife?

## Negro Hanged for Murder.

Perry, Ga., Jan. 23.—Lige West, a negro, was hanged here Friday for murder. The crime for which West was hanged was the killing of his wife several weeks ago. The occasion attracted a crowd of both whites and blacks to Perry.

## Spoiled Her Beauty

Harriet Howard of 250 W. 35th St., New York, at one time had her beauty spoiled with skin trouble. She writes: "I had salt rheum, or eczema, for years, but nothing would cure it, until I used Bucklen's Arnica Salve." A quick and sure healer for cuts, burns and sores. Twenty-five cents at all druggists.

## NEUBERT ESTATE SUIT.

Sister of Deceased Wishes to be Made a Party to the Suit.

The following from The Times-Union will prove of interest to readers of The Sun, since the deceased was well known here, having been engaged for many years as a baker:

"More claimants have come to the front for a share in the estate of Williams Neubert, deceased, late of Gainesville, Fla., who died in that city October 28, 1898.

"For some years a suit has been pending in the United States Court for the Southern district of Florida between claimants to this estate. It is the suit of Andreas L. Whitting and fourteen others, all residents of Germany and subjects of the Emperor of Germany, vs. Louis J. Burkheim, Marcus Endel and Jacob Endel, residents of Alachua county, Florida.

"Yesterday there was filed in the United States Court a petition of Marie Eliza Fugman, nee Neubert, and Rheidold Fugman, her husband, to be made parties to the suit. The petitioners are from Leitz, Germany, and the petition was filed by William Wade Hampton and A. H. King, attorneys and counsellors at law.

"The petitioners represent that Marie Eliza Fugman, nee Neubert, was a sister of William Neubert, deceased, who died intestate, and without issue. They also set up that she is an heir and distributee of said Neubert, deceased, and is entitled to an interest in proportionate part of said estate as such heir, to wit, a one-eighth undivided interest."

## The Morgans May Come.

Dr. and Mrs. E. S. Morgan of Jackson Mill, N. J., who spent the season here three years ago, are now pleasantly located at Miami. They are friends of Mrs. J. M. Graham, who is now in correspondence with them in an endeavor to induce them to spend some time here. Dr. Morgan is one of the most affable gentlemen it has ever been our pleasure to meet. He and his estimable wife made many friends here who have always remembered them kindly, and trust to have an opportunity of greeting them again before the season is over.

Dr. Morgan is quite a literary man, being the correspondent for several large papers. He does not write because he is compelled, for he has sufficient means to pay his expenses for at least a "week or two," but merely because he loves the work, and his heart is in it. He is as fluent and interesting a writer as he is a talker, which says a great deal.

## Shot Full of Holes.

"I am 65 years old, and have been a great sufferer from headache all my life. One of Dr. Miles' circulars was left at my door, and what it contained about headache interested me, so that I determined to invest a dollar in their make of shot, and go gunning for that headache. The first charge brought it down, but I continued to shoot until the thing was shot so full of holes that I believe it will never come to life again. I consider it the work of a "good Samaritan," to spread the knowledge of what Dr. Miles' Anti-Pain Pills will do." L. F. MOORE, 1352 Fairfax Ave., Bridgeport, Conn.

## Equipped With Wheels.

The Gainesville Fire Department, which has enjoyed a reputation as one of the most efficient in the State, has been improved by the addition of a "bicycle brigade." Chief O'Neill and Assistant Chief Cushman have been supplied with handsome chainless Cleveland wheels, equipped with fog horns which can be heard for ten blocks.

In the event of a fire, if any person should be run down by the department bicycles it will be their own fault, as the warning notes will serve as a hint to clear the way.

## Blood Poison from Lobster's Claw.

New York, Jan. 23.—Blood poisoning caused by the pinch of a lobster's claws, have caused the death of Otto Zimmerman, a chef in a big Harlem restaurant. Zimmerman's work was preparing lobsters, his skill for which was somewhat noted. He handled hundreds of crustaceans every day, and frequently was bitten. Finally one, particularly strong, caught him by the thumb and brought the blood. Swelling set in the next day, and in a few hours the chef died in great agony.

## Rev. Carlisle P. B. Martin, L. L. D.,

Of Waverley, Texas, writes: "Of a morning, when first arising, I often find a troublesome collection of phlegm, which produces a cough, and is very hard to dislodge; but a small quantity of Ballard's Horehound Syrup will at once dislodge it, and the trouble is over. I know of no medicine that is equal to it, and it is so pleasant to take. I can most cordially recommend it to all persons needing a medicine for throat or lung trouble." 25, 50c and \$1.00. Sold by W. M. Johnson.

## The True Ideal.

The true ideal that should fill a man's heart and fire his energies is excellence in his own sphere, the living of his own particular life just as fully and nobly as he—not somebody else's. True, this is an unknown quantity, but it is a real and attainable one. Day by day it is rising, and day by day a man may feel conscious of increased power. Whether it may lead him he cannot tell, but that by its guidance he will go farther and accomplish more than by any other he may rest assured. Attempting nothing impossible, he is doomed to no inevitable disappointment, nor is there any limit at which he may cease to strive—Self Help.

## Cured Lumbago.

A. B. Canman, Chicago, writes March 4, 1903: "Having been troubled with lumbago at different times and tried one physician after another; then different ointments and liniments, gave it up altogether. So I tried once more, and got a bottle of Ballard's Snow Liniment, which gave me almost instant relief. I can cheerfully recommend it, and will add my name to your list of former soldiers." 25c, 50c and \$1. Sold by W. M. Johnson.
